Not that I'm aware of, but I'd be happy to ask BLM if there's something in the works or if they have something already drafted. We definitely haven't drafted anything. I definitely am not confident that I know the up-to-date status on everything (see below).

If it helps, here are some of the things that the proclamation requires, and my knowledge of the current status:

Thanks. Do we have any briefing papers (by BLM or SOL) prepared for this Administration concerning the monument? I'm looking for something that describes the steps in the implementation process and where we're at. (b)(5) AWP, (b) (5) - DPP
